

High Performance Manager

Work Type	Full Time
Salary	\$69,000 (incl Super) + Car + Benefits Dependent upon experience and qualifications
Location	Brisbane, QLD, Australia
Closing Date	30 January 2009

Information

The RQI High Performance Manager is primarily responsible for providing State leadership and coordination of all aspects of Queensland High Performance Program in conjunction with the Queensland Academy of Sport, within the National Rowing Centre of Excellence framework. The High Performance Manager is also responsible for facilitating the state selection process (Senior and Youth) and is responsible for the administration of Queensland teams for national / international competition.

Selection Criteria

Essential:

- Minimum NCAS Level 2 Rowing Coach Accreditation
- Tertiary qualifications in sports administration, coaching, leisure or sports science and/or appropriate work experience.
- Previous experience in developing, implementing and monitoring rowing high performance programs for clubs, schools, athletes and coaches.
- Sports administration skills and experience including program development, managing and coordinating developing and elite athletes
- Ability to communicate effectively with coaches and athletes, and working in small work teams.
- Knowledge of local and world trends in sport and recreation relating to rowing.

Preferred:

- Experience with Microsoft Office package.
