

IMPORTANT ANNOUNCEMENT - Athlete Uniform – 2010 Australian Championships

Recommendation

All Scullers and Crews competing in Finals of the National Championships, must wear a T-Shirt of common color.

Aim

The aim of this recommendation is twofold.

- present a better 'image' to the viewing public (at the venue and on TV) and
- maintain the club tradition embodied in the identity of the Club racing uniform.

Application at the 2010 Australian Championships

- All athletes and crews in the FINALS of the National Championships – Fri 5th (a.m.) & Sat 6th March (not applicable Sunday 7th in the Interstate regatta)
- NOT applicable to school athletes or crews in Finals

Athletes have several options available to comply with these recommendations.

- inTRA-state athletes (clubs within the same state) may all wear a **white T-Shirt** or, a **state colored T-shirt** under their club racing uniform, (*RA color guidelines for new shirts are displayed below*), **OR**
- InTER-state athletes (clubs in different States) may wear a **white T-shirt** under their club uniform

Note: The normal rules of identical clothing, will still apply for all crew members.

Athletes may use their own T-Shirts, or purchase one at the venue from Designer Paintworks.

Although a 'yellow card' penalty will apply for non compliance at the 2010 Nationals, it is hoped that all athletes, coaches and managers will appreciate the need to better show-off and advertise our sport – and embrace the recommendations willingly.

The recommended colors to wear under racing uniform:

SA, Red

VIC, Navy Blue

TAS, Green

QLD, Maroon

NSW, Light Blue

WA, Yellow

ACT, White

- Athletes may *use their own* T-Shirts matching these colors.
