

EOI – Adaptive Rowing Steering Committee

Rowing Australia is seeking expressions of interest from suitably qualified individuals to be appointed to the Rowing Australia Adaptive Rowing Steering Committee.

The Rowing Australia Adaptive Rowing Steering Committee will assume the responsibilities of the previous Rowing Australia Adaptive Committee and will be responsible for providing technical advice on the development of adaptive rowing in Australia. With the recent inclusion in the Paralympics Games and the Australian Sports Commission initiative Project CONNECT, the Adaptive Rowing Steering Committee will operate within the principles outlined by Project CONNECT and the Adaptive Rowing High Performance Plan and assist with the development of Rowing Australia's Disability Action Plan.

The Rowing Australia Board will appoint members to the Adaptive Rowing Steering Committee based on their application for one and two year appointments. Positions on the committee are voluntary with administrative support provided by the Rowing Australia Office. The following positions are available:

- Adaptive Rowing Technical Representative (HP) – 2 years
- Adaptive Rowing Technical Representative (Community) – 1 year
- Adaptive Rowing Athletes Representative – 2 years
- Able Body Rowing Representative – 1 year
- Disability Sport Representative (non Rowing) – 1 year

In addition to these positions, Rowing Australia's National Development Officer and Adaptive Rowing and Competition Administrator will be active members of the Committee. Rowing Australia's Project CONNECT Case Manager will be invited to attend meetings to provide guidance and assistance where required.

A brief expression of interest highlighting previous experience and areas of contribution are to be forwarded to:

Sam Irvine
Adaptive Rowing and Competition Administrator
Rowing Australia
