13.9	24	Rowers Socre Category - Calculated as per the formula outlined in Rule 28
27	29	The adaptive rules have been altered to bring into affect the changes involved with Classification and events at Nationals for adaptive rowers
28	29b	The rowers score category is currently under review. The Classes of Boat Rule has been moved to rule 29.
BY-LAW 1 to Rule 31	35	Minimum width of Adaptive racing boats
By-Law 1 to Rule 32	35	Including adaptive boats in minimum boat weights
By-Law 6 to Rule 32	36	Including adaptive boats in boat weighing procedures
Appendix 5	173	Revised adaptive event listings. The order of events in this appendix has been altered so that open events follow the U23 events.
Appendix 6	177	Appendix altered to take out the order of events, this is primarily because of the ever changing order of events at the Australian Master’s Championships. The events are listed in order of category from A through to FGH for female, then male. The boats are then listed from single scull through to a quad, then from pairs through to eights.
