EQUIPMENT

Each competing state are required to provide their own equipment.

Additionally, we require that each State or Institute of Sport, provide some additional boats and oars to cater for the WA, NZ and Vanuatu teams. Primarily, this is because NSW Clubs have been heavily targeted for boat rental/loan during the World Masters Games, Youth Olympics, Selection Regatta's etc. For this reason – we are going outside those NSW clubs to lighten their load this year.

The suggested boats to bring in addition to their own team boats are provided at the end of this Bulletin. All States are to confirm their provision of boats and oars as per the allocation in Appendix 2 to Brett Morley by Thursday 23rd June. **If any State has any issues providing these boats, please contact Brett Morley ASAP.**

Each state is to endeavor to provide WA, NZ and Vanuatu teams with the highest quality boats available however it must be noted that these boats will be sourced from local clubs and schools therefore no guarantees can be made regarding the age or quality of boats supplied.

A hire fee of \$55 per seat Inc GST (paid by WA, NZ or Vanuatu) will be provided to the State that has provided the equipment.

ATHLETES BRIEFING

An athlete's briefing will be conducted in the grandstand of the Sydney International Regatta Centre at 3.00pm on Thursday 7th July. All athletes, coaches and team managers are expected to attend.

EVENT PHOTOGRAPHY

Peter Williams from ICONPHOTO will be covering all days of the event for Rowing Australia and you can find those images on both www.rowingaustralia.com.au and www.iconphoto.net.au.

ANTI-ILLICIT DRUGS IN SPORT EDUCATION SEMINAR

All teams attending the 2011 Australian Youth Cup are required to attend an Anti-Illicit Drugs Seminar.

Given the number of participants (i.e. 220ppl) there will be 2 groups; one group = 4 teams.

The timetable for seminars is dependent on the race schedule which will not be known until both the Australian Youth Cup and the Under 23 race programs are known. Times for each seminar and which teams are in which group will be distributed once the program is known.

TEAM MANAGER CONTACT

Each state is to provide their Team Manager and /or key contacts name, email and mobile contact to Brett Morley ASAP if they have not already.
