

Event Requirements for U23 Australian Rowing Team (incorporating specific US-based athlete requirements)

Please Note: RA intends to review these Event Requirements by no later than September of each year but may review and update these Event Requirements at any time, including by announcing and publishing further or varied requirements and standards from time to time prior to the relevant event or trial and the publication or notification shall take effect in accordance with the RA Selection Policy.

Background:

The Rowing Australia (RA) National Selection Policy – Underage Teams (Selection Policy) outlines the broad selection criteria for all rowers and coxswains and can be viewed on the RA website at www.rowingaustralia.com.au. This document operates as an appendix to the RA Selection Policy and outlines the activities that rowers and coxswains must complete to be eligible for selection consideration for the Australian Under 23 (U23) Team.

U23 Athletes who are also seeking Senior A selection will need to satisfy the requirements set out in the Senior A Event Requirements, which are available on the RA Website (<http://www.rowingaustralia.com.au/national-team-selection-information/>). At the point where such athletes are no longer in contention for Senior A selection, they must then satisfy the remaining requirements set out in the U23 Event Requirements.

All athletes must complete all activities stipulated in these Event Requirements unless there are medical reasons or Extenuating Circumstances that prevent this, in which case Rowing Australia is to be notified of the particular reason as soon as is practicable, and in accordance with the RA Medical Management Policy and Selection Policy.

Rowing Australia is enhancing the selection process to provide opportunities for Australian athletes based in the USA. This document contains specific details for US-based Australian athletes. The US-based Australian Program will provide an opportunity to gain selection into a limited number of Under 23 boat classes at the Australian U23 Selection Trial #2. Invitations to attend the Australian U23 Selection Trial #2 will be based on a ranking established by the Selectors of eligible US based athletes and from Australian based athletes that attended the Underage Selection Trials but did not achieve selection at that event.

- 10) The Selectors reserve the right at their sole discretion to choose the crew combinations, seat racing partners and the matrix of seat racing in the Underage Selection Trials, and to conduct ergometer and such other tests as required in order for the Selectors to assess the specified selection criteria. In applying this discretion, selectors must act in accordance with Clause 2.6 of the Selection Policy
- 11) The **minimum on-water performance benchmarks** required in each boat class under consideration for the Under 23 World Championships are as follows:

	Under 23 Men	Under 23 Women
1x	07:12.6	07:55.8
2-	06:44.7	07:29.9
2x	06:31.9	07:17.9
4+	06:26.2	
4-	06:10.3	06:52.0
4x	06:01.3	06:43.3
8+	05:45.0	06:26.4
L1x	07:12.9	07:58.9
L2-	06:51.1	
L2x	06:38.9	07:21.3
L4-	06:16.7	
L4x	06:12.0	06:52.0

The minimum on-water performance benchmarks assume competition in neutral environmental conditions. Accordingly, the Selectors may make adjustment (if any) to the minimum performance standards for environmental conditions as they see fit by reference to speed order or comparative trials or races as decided by the Selectors in their absolute discretion (the **Adjusted Performance Benchmarks**). The Selectors may also use the Adjusted Performance Benchmarks to rank the performance of crews.

Achievement of the **Adjusted Performance Benchmarks** does not guarantee selection. The Adjusted Performance Benchmarks are the minimum on-water performance standards required for the Selectors to consider a boat for selection. The Selectors will not recommend selection of a boat to compete at the Under 23 World Championships unless a crew has achieved an Adjusted Performance Benchmark in that boat at or prior to the **Underage Selection Trials or Australian Under 23 Selection Trial #2**.

If an athlete races in two or more boats that achieve an Adjusted Performance Benchmark at a selection trial, the Selectors have a discretion to nominate each boat if the boat with the replacement athlete or athletes demonstrates to the Selectors' satisfaction that it can achieve an Adjusted Performance Benchmark.

- 12) Selected athletes and crews may be required to compete in a regatta overseas as part of their international preparation. This will be at the sole discretion of RA, and will be advised by RA as soon as practicable.
